

# ENVIRONMENTAL, HEALTH AND SAFETY POLICY

---

Considering that environmental protection and the occupational health and safety of company employees and contract workers are necessary conditions for the sustainable development of its activities; ARAUCO North America has made the following commitments:

- 1. Comply** with legislation and other agreements involving the environment, occupational health, and safety in company activities, products, and services.
- 2. Continuously improve** the performance of our processes with an integrated risk approach through properly managing significant environmental, occupational safety, and health aspects of our activities, products, and/or services.
- 3. Prevent** accidents, work related illnesses, and environmental pollution resulting from company activities, products, and/or services.
- 4. Commit to reducing** environmental impact through sourcing sustainably managed raw materials and production efficiency targets.
- 5. Ensure** that all ARAUCO employees and contract workers receive adequate training to fulfill their obligations, and provide the means for them to work with a safe, responsible attitude towards the environment, occupational health, and safety.
- 6. Notify** staff, service providing companies, relevant suppliers and other interested parties of these commitments.

All personnel working at ARAUCO are responsible for complying and enforcing this Environmental and Occupational Health and Safety Policy, keeping it in mind throughout their daily decisions and demeanor at work.
